

# Low and Moderate Income by Census Block Group

The Community Development Block Grant (CDBG) program requires that each CDBG funded activity must either principally benefit low- and moderate-income persons, aid in the prevention or elimination of slums or blight, or meet a community development need having a particular urgency. With respect to activities that benefit all the residents of a given area, at least 51 percent of the area's residents must be low and moderate income. Low income is 50% of median and moderate is 80% of median.
